

Press Release

Bernard J. Erickson, FSG Division Manager is named 2011 National Council on Qualifications for the Lighting Professions (NCQLP) President

Join Bernie and the NCQLP Officers and Board Members in recognizing the new LCs who successfully completed the 2010 Examination at the NCQLP LC Luncheon at Lightfair 2011

Austin Texas, April 2011: NCQLP has announced that Henry L. Green, Hon. AIA, President, National Institute of Building Sciences, will be the speaker at the annual LC Luncheon at Lightfair. The topic of his presentation is: "The Challenges Facing the Built Environment: A Perspective". The luncheon will be held Thursday May 18th from 12:15 to 1:45pm at the Pennsylvania Convention Center in Philadelphia Pennsylvania.

FSG's support of the LC Certification

FSG has been a long time supporter of the LC certification, and currently has 24 LC Certified employees located at facilities throughout the United States.

About FSG

Facility Solutions Group (FSG) is one of the nation's largest single-source providers of lighting and electrical products, electrical services, electrical construction, energy management solutions, and signage. With a successful 27+ year history of serving customers, FSG develops, designs, markets, sells and supports all types of lighting, electrical, control, sign, and energy-saving products and services.

The company's products and services enable customers to build, maintain, expand or upgrade their facility infrastructures, in scenarios ranging from new construction to remodels to ongoing operations.
